

CONQUERING THE RACE FOR SAVING SPACE

VISCOUNT PLASTICS FOLDABLE CRATES

- *Viscount Plastics Foldable Crates* collapse to a fraction of their assembled height, not only saving 'empty' transport costs, but maximising available warehouse storage.
- *Viscount Plastics Foldable Crates* are leading edge Returnable Transit Packaging (RTP). Used to replace single trip cardboard, research suggests RTP crates pay for themselves after just 12 round trips and have a service life of at least 9 return trips.
- Made from 100% recyclable, non-porous food grade materials, *Viscount Plastics Foldable Crates* are kinder on contents and easily cleaned to the highest hygiene standards.
- *Viscount Plastics Foldable Crates* are easy to assemble and fold down when empty
