Viscount's Hortbin® What's Best for Fruit & Vegetables is Better for Business

The Hortbin® represents a new era of innovation and technology for the entire horticulture industry in terms of improved product quality along the supply chain.

Viscount's Hortbin® features:

- > Rounded smooth interiors to minimise movement, bruising, abrasions and damage during transit
- > Vent holes for optimum water drainage and improved storage
- > Light weight yet strong and safe to handle
- > Resilient, long lasting and 100% recyclable *(with an end of life residual value)*
- > Increased efficiency and better freight loading
- > Hygienic, non-porous and easy to clean
- > Interlockable and Stackable *(footprint replicates traditional New Zealand timber picking bin)*
- > UV resistant
- > 2 sizes, vented and solid bins
- > Patented and wider fork hoist entry for less bin damage due to fork hoist tines
- > **Manufactured in New Zealand**

Viscount's Hortbin®

Because fresher, better tasting and higher quality fruit is better for business
